EXPLORE AND MORE

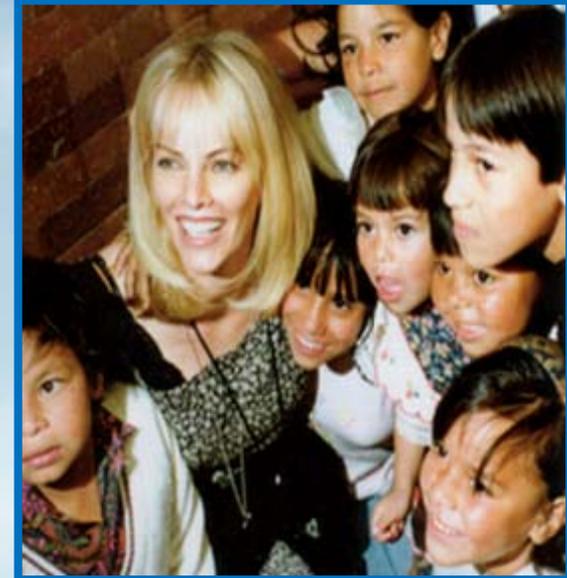

- ❖ Elements
- ❖ Summary

# INTRODUCTION

Airline Ambassadors Intl. has been a guiding light in it's mission to create lasting solutions on behalf of vulnerable children and crucial humanitarian projects throughout the world for over 25 years.

# VOLUNTOURISM

VOLUNTOURISM is defined as a form of tourism in which travelers participate in voluntary work for a charity. At the core of **voluntourism** is the desire to help others.

# EXPLORE AND MORE

EXPLORE AND MORE is a Voluntourism by-product of the humanitarian commitment exemplified by Airline Ambassadors International.

This program is a unique and rewarding way for individuals, groups & families who have a passion for travel to combine that energy with making a considerable difference in the lives of those less fortunate.

# EXPLORE AND MORE: ELEMENTS

Explore And More offers the opportunity to connect with one of AAI's many vetted projects around the world to incorporate visiting or volunteering as part of your itinerary.

- ❖ Spend a few days at the Eco Home in Nepal
- ❖ Meet our orphans in Haiti at Diakonos Intl.
- ❖ Visit to Maria's Restaurant & meet the children at Sinethemba as part of your safari in South Africa
- ❖ Help build the Home 4 Hope for Ukrainian refugees as you tour Poland
  - ❖ Enjoy a culinary experience in El Salvador
  - ❖ or visit our Turtle Project.....and so much MORE!

# EXPLORE AND MORE: ELEMENTS

The following additional countries are currently part of Explore & More destinations:

- ❖ United States: Clean water for Hopi/Navajo Help provide clean drinking water.
- ❖ Guatemala: Assisting deportees in Guatemala City, Wheelchair Project in Antigua, Elderly/children water and stoves
- ❖ Peru: Feeding program near Lima-Comedor, Water and feeding project outside Cusco
- ❖ Philippines: Shepherd's Christian Orphanage
- ❖ Sierra Leone: Feeding program, Human Trafficking sponsorship

# EXPLORE AND MORE: SUMMARY

As we gratefully acknowledge your participation, we also suggest that you evaluate donations when you arrive at the project site. For instance, perhaps the children in Abatex (Philippines) need books for school, or the children in Diakonos could use new shoes, etc.

On-site coordinators will help you arrange logistics to the project, and in Nepal our AAI representative can supervise your entire tour.
