*Airline Ambassadors*  
Global Compassion Ball

| *The Event* |

*P*lease join us for an elegant evening at the United Nations in celebration of companies and individuals who bring Compassion into Action. Enjoy a lovely evening of dinner, dance, art and entertainment in commemoration of those that share goodwill and understanding on this precious planet we call home.

Your contribution will make a direct and immediate global impact. Come to our Gala and support our hands on development work assisting orphans, children and families in the areas of poverty and hunger, education, health, child welfare and community development. Your tax-deductible donation will significantly change the lives of many.

## | *Beneficiaries* |

*M*illions of children are in desperate need. They are hungry, cold, and have no access to clean water, lack proper medical care or a comfortable place to lay their heads at night. Monies raised at this event will support our humanitarian projects on five continents. Airline Ambassador volunteer teams will personally deliver donations on missions to each of the projects following our event. You can suggest a special project or contribute to one or all of the projects described.

Many organizations offer humanitarian assistance, but Airline Ambassadors provides a way for you to participate directly, as a living link between resource and need. We invite our contributors to join us on a mission providing aid, education and services to children and families around the globe. Visit the communities your generosity has impacted and see for yourself how you have made a difference!

Our goal is to raise funding and support for thousands of children and families in need through our projects throughout the world. More and more companies are forming alliances to give back to communities that desperately need their help. This commitment to global citizenship builds positive relationships in domestic and international markets.

When you support the Compassion Ball as a sponsor or underwriter, your donation is tax-deductible and you will receive special recognition in the event program, invitation, Gala Journal and other media. You may choose to provide your sponsorship on a monthly basis or as a one-time gift.

We urge you to play a vital role in securing funding for development projects impacting thousands of children and families.

| *About Airline Ambassadors* |

Airline Ambassadors International (AAI) is a non-profit organization which began in 1996 with a small group of airline personnel using their travel benefits to help children. We have grown to include members of all ages and professions who offer their time as Ambassadors of Goodwill helping children in our home communities and abroad.

Our volunteers have hand delivered millions of dollars of aid to 52 countries, giving hope to those who do not have many of the privileges and everyday conveniences many of us take for granted. Airline Ambassadors provides a way for members to match their individual interests and skills to actual world need; to bring Compassion into Action.
